### Continental welcomes Commercial Laundry Systems of the Rockies and T & L Equipment Co.

Oshkosh, Wis.—Continental Girbau Inc. (Continental) recently partnered with two new vended laundry distributors – Commercial Laundry Systems of the Rockies, in Johnstown, Colo., and T&L Equipment Co. Inc. (T&L Equipment), in Charlotte, N.C. Both companies will represent the ExpressWash®, ExpressDry®, L-Series Washer, G-Flex Washer, Econ-O-Wash, Econ-O-Dry, and LG Platinum Washer/Dryer lines; as well as the Express Laundry Center® brand.

- Commercial Laundry Systems of the Rockies is a full-service distributor of Continental vended and on-premise laundry equipment throughout Colorado, Montana and Wyoming. Established in 2015 by Pete Valconesi, the Commercial Laundry Systems of the Rockies team holds years of industry knowledge directly related to vended laundry development and construction.

“Clients rely on Commercial Laundry Systems of the Rockies for unrivaled customer care, high-performance laundry equipment, replacement parts, and technical service after the sale,” said Valconesi. The company works closely with vended laundry investors and owners to renovate and develop highly profitable businesses.

“Pete, Tom and the Commercial Laundry staff bring premium services to new and existing customers throughout their service area,” said Joel Jorgensen, Continental vice president of sales and customer services. “They deliver the kind of expertise that sets vended laundries up for success.”

To find out more about Commercial Laundry Systems of the Rockies visit [www.clsrockies.com](http://www.clsrockies.com) or call 800-270-8539.

- T&L Equipment is a full-service distributor of Continental vended laundry equipment

throughout North Carolina. Founded in 1976 by Lamar Thomas, T&L Equipment offers vended laundry investors and owners turn-key services dedicated to profitability. “We consult closely with vended laundry investors on site selection, financing, equipment mix, demographics and more,” said Thomas. Additionally, T&L Equipment handles vended laundry construction.

“T&L Equipment offers complete vended laundry services and is highly experienced in both laundry development and renovation,” said Ed Ziegler, Continental sales manager – Eastern U.S. and Canada. “The T&L Equipment team is dedicated to unrivaled customer care and Continental is thrilled to be working with them.”

Supporting vended laundries after the sale is also a critical component of T&L Equipment’s business. The company provides same-day shipping on 90 percent of all parts orders and delivers routine maintenance and equipment repair, promptly and efficiently.

To find out more about T&L Equipment, call 800-423-7937 or visit [www.washcycle.com](http://www.washcycle.com).
